

Join us for our fifth  
Inter-CHNA gathering!

Waltham Public Library  
Friday, October 30th  
Noon to 4:00 p.m.

Over the past two years, representatives of Community Health Network Areas (CHNAs) across the Commonwealth have gathered twice a year to share ideas and common concerns with one another. These meetings have helped us understand our local issues in a larger context and begin to create a collective voice for health. We will continue the conversation at our next event on Friday, October 30th, from Noon to 4:00 p.m. at the Waltham Public Library, 735 Main Street, Waltham, MA.

Invited speakers: • Monica Bharel, MD, MPH, MA Commissioner  
• Ben Wood, Acting Director, Office of Community Health Planning & Engagement  
Massachusetts Department of Public Health
